

# Main Street Market replaces Krause's

It was a busy place at 527 E. Main Street in Mishicot as the new owners of the former Krause Shopping Center started in business. The new name is the Main Street Market.

The new owners are John Lofberg and Larry Zender. John's family has been in the grocery business since 1940. He grew up in Beaver Dam, lived in Arizona and the past five years in Milwaukee.

Larry comes to us from Chicago and Florida. He also operates a store in Denmark.

A total remodeling will get underway shortly, including a

new facade. Grocery will stay as is with the expansion in the perishable departments. Produce, bakery, meat, dairy and deli departments will see change and growth.

Hours have been changed to seven days a week, from 7 a.m. to 10 p.m. Their goal is to serve the customer.

They will also continue with catering. The work staff will stay on.

We extend a welcome to this new business.

The Manitowoc County Health Department offered a summer immunization and lead screening clinic at O. H. Schultz Elementary School on July 18. Lead screenings were offered at no charge to children under the age of 6. Children who live in homes built before 1980, have

chipping or peeling paint or are being remodeled could be exposed to lead. Recently, dust that accumulates on plastic mini-blinds has been found to be high in lead. Lead poisoning can cause learning difficulties and other health problems. A simple blood test can determine if a child has been exposed.

If you have questions pertaining to immunizations or the lead screening test, call the Manitowoc County Health Department at 683-4155.
